We are humbled by the PRIVILEGE we have to serve others by being an EXTENSION of Christ. We extend His presence, His love, and His grace to others using the skills, talents, and resources that we have RECEIVED from Him! Please PRAY that more medical and dental professionals will catch the vision of this privilege! To HIM be the glory forever!

## \*\*\*2016 Medical Outreaches\*\*\*

### Philippines: Manila & Sariaya

In **August, 2016** our team held medical clinics for the children in Compassion International and their families.

AIM also supports 3G-HMI's local missionaries by covering most of their medical & dental expenses throughout the year.

AIM donated funds to install 4 toilets in a very poor community. (picture left; team picture upper left)

### Nepal: Mustang

This was an exciting first time adventure for this team who went in **October, 2016!** They encountered many unexpected events and experienced God in their midst! When God is allowed to lead, life is always exciting! (picture left)

### Nepal: Bhudakani, Bhukdeu, Gorkha

In **November, 2016** our AIM team was not able to hold the usual type of medical clinics due to government rulings, but were able to spend some quality time building relationships and encouraging one another! For many, it turned out to be an even more spiritually meaningful medical mission! (right)

### Myanmar: Yangon, Kalemryo

This was the first AIM medical team to Myanmar in **December, 2016.** We held 5 clinic days, 2 health seminars, fitted 4 LN-4 prosthetic hands, and donated a water pump to a church in need of access to water. We were blessed to see Christ alive in churches there! (pictures on left)

### Inspire Homeless Outreach Team

Sam Ng, APRN and Dr. Neal Shimoda, initiated a medical outreach to our homeless in West Oahu & now Wahiawa! 2 Saturdays a month, IHOT provides basic first aid as well as shares food, water, fruits, bandaids and antibiotic ointments! Most of all, they share Christ's compassion and encourage hearts! (pics on right)
